The Pedorthics Package PS10 Developing Program & Speakers

The Pedorthics Package PS 10 is coming on September, 10, 11 and 12 2010, and it looks like it will be one of the most exciting programs we have ever had, big statement I know, but just wait and see.

The Friday workshop program will be led by an American Dr Norman Murphy Ph.D, B.Sc & M.Sc, who travels the world talking about Biomechanics. Dr Norman's study areas include Human Kinetics, Rehabilitation and Biomechanics. Dr. Murphy's expertise and specialty resides in clinical and fundamental foot, gait, seating and postural biomechanics. He is also a Clinical Posturologist with specialty training in treating full body postural, balance and sway related disorders. Dr. Murphy's expertise and specialty resides in clinical and fundamental foot, gait, seating and postural biomechanics. The lecture titles are Pressure Mapping Assessments to Prevent and Treat Pressure Sores and Ulcers and Pressure Profiles and Force Assessments to Treat Biomechanical Foot and Gait Related Disorders.

Other speakers over the two following days include:

- Mr Bernard Allard, Vascular Surgeon.
- Julie Miller Podiatrist and Wound Consultant. Endorsed Prescriber. Manager, Foot Clinic Services, Austin Health. Heidelberg Repatriation Hospital Outpatients Department
- Cylie Williams,, Podiatrist . Cylies leads the Podiatry Association Children's special interest group. The last time I heard Cylie speak I found it very informative and absolutely worth hearing
- Craig Moir a Personal Trainer with special interests in Posture, Balance, Biomechanics and really on about Making Life Easier. There will be some! with the lycra and sports shorts for this session, ready for the camera!
- Shelly Mathews, Physiotherapist on just how a Physio makes a difference to the client.

● Leigh Crocker from the ION Group. For an insight on this aspect of the program, some words from the ION website: "Our decisions govern how we work and live. As business people, as individuals, as families and as communities, we are all being challenged to make good decisions. ION Group has developed an elegant, simple and profoundly effective Framework and set of Tools for improved decision-making. Our approach is based on harnessing and optimising energy and resource management."

The social program will include:

- Saturday Night PS10 Dinner which is to be held at: Bopha Devi Cambodian Restaurant at the Docklands, Melbourne. The Bopha Devi journey began in 1998 with a vision to create a unique dining experience to honour Cambodia and it's people through food. Khmer cuisine is a fusion of Chinese, Indian and French. The food is light and healthy and unlike Thai and Vietnamese chilli is served on the side.
- The suggested place for a pre-dinner drink as you move from the PS10 venue after an exciting Saturday is The James Squire Brew house located on the waterfront at stunning Waterfront City, Docklands.

Speakers also include:

- Mr Simon Smith - Podiatric Surgeon
- Rehabilitation Specialists
- Compression Specialist
- Beyond Blue Speaker **and**
- **PEDORTHISTS**

Early Bird Registration Fee applies to July 31, 2010
